

We Are Tacoma Lesbian Concern

Tacoma Lesbian Concern (TLC) is a south Puget Sound lesbian, bisexual and transgendered organization, in existence since the late 70s.

The organization has a three-fold purpose:

- to provide opportunities for socializing
- to arrange supportive networking
- to furnish education and awareness

To meet these goals, we schedule, support and attend a wide variety of activities, work with other groups for common goals, provide a newsletter and a website.

Current annual membership fee: \$20/year. The TLC year runs July 1 to July 1. If you join in the midst of a year cycle, the fee is \$2/month from the date you join until the next July 1. For example, if you wish to join in November, there are 8 months until the following July, so you'd pay \$16. If you wish to join in April, there are only 3 months left, so you'd pay \$6. If you have a question, contact us!
